

NISHITH DESAI ASSOCIATES | AHEAD OF TIME ON RESEARCH AND CONTENT

Nishith Desai and Associates (NDA) master their ahead of time researched content on their website. Speaking to a few counsels and students, they considered the NDA website a virtual legal encyclopedia in itself. Their content is published as Research Articles & Papers where Articles give a shorter perspective and Papers are a lengthier piece and are further investigated. Their researched articles are frequently found to be picked by the daily business journals and newspapers.
