NATIONAL INVESTMENT AND INFRASTRUCTURE FUND (NIIF) OBTAINS USD 2 BILLION FROM AUSTRALIANSUPER AND ONTARIO TEACHERS' PENSION PLAN

DEAL BRIEF

NIIF Master Fund has signed investment agreements for its third closing with two of the leading global pension funds, namely AustralianSuper and Ontario Teachers' Pension Plan, of cumulatively worth USD 2 billion (including co-investments). Further, two of the existing domestic financial institutional investors, HDFC Life and Kotak Life, have also signed updated documents to increase their existing commitments to the NIIF Master Fund respectively.

The total assets under management of NIIF Master Fund after the third closing would be the largest for an infrastructure fund in India of about USD 4 bn (including co-investments).

In the Union Finance Budget 2015-16 on February 28, 2015, the Finance Minister had announced the setting up of a National Investment and Infrastructure Fund with the Government's contribution to the Fund to be 49% of the total commitments of the Fund. NIIF Master Fund is registered with Securities and Exchange Board of India (SEBI) as a Category II Alternate Investment Fund (AIF) under the SEBI (Alternative Investments Funds) Regulations, 2012, and will primarily focus on the infrastructure sector. The Fund could also consider investments into other commercially viable projects within the broader investment strategy of the Fund.
