September 16, 2019

### INDIA—SUPREME COURT HOLDS NON-SIGNATORY CANNOT BE IMPEADED WITHOUT ESTABLISHING AN INTENTION TO BE BOUND BY ARBITRATION (RECKITT INDIA V REYNDEERS INDIA)

This article was published in *Lexis®PSL Arbitration* on 24th July 2019

#### SUMMARY

In this piece, Sahil Kanuga and Siddharth Ratho of the International Dispute Resolution and Investigations practice analyze and discuss a recent decision of the Supreme Court in *Reckitt Benckiser (India) Pvt. Ltd. vs. Reynders Label Printing* wherein the principles expounded in *Chloro Controls* on whether a non-signatory affiliate of a party to an arbitration agreement can be impleaded and subjected to arbitration were revisited. The Supreme Court *inter alia* held that a non-signatory without any causal connection with the process of negotiations preceding the arbitration agreement could not be made party to the arbitration and that circumstances and correspondence post execution of an arbitration agreement could not bind a non-signatory.
